The Venue

Nestled in the heart of Nottingham, Nottingham Trent University offers a vibrant mix of history and modernity—just like its city. Surrounded by stunning architecture, buzzing cafes, and independent shops, the campus is just a stone's throw from Nottingham Castle, the Old Market Square, and the legendary Sherwood Forest.

The exhibition will be held on the Concourse, which is a large, bright area. Although out of term time, the University Campus is still open and accessible to a small number of students and staff. However, there are a number of measures in place during the conference to ensure that the exhibition remains private:

- All access to the building is controlled and through ID check gates
- Exhibition stands will not be viewable by non-conference individuals
- Security staff will ensure that only conference lanyard holders will enter the conference/exhibition area
